ERRATA

In Craig R. Smith's essay, "Daniel Webster's July 17th Address: A Mediating Influence in the 1850 Compromise" (August 1985), it was stated or suggested four times (pp. 351, 355, 356, 357) that the admission of Texas as a state was an issue in the Senate compromise debate. This is not a fact. Texas was admitted into the Union in 1845. What the author meant to assert was that the "settlement of the Texas Boundary and payment of the Texas Debt" was in dispute.
